Welcome and Call to Order
Chair Kendall St. Hilaire (IRSC) called the meeting to order. New members were recognized, and outgoing members were thanked for their efforts. Kendall announced the following upcoming events: Virtual Florida Adaptive Learning Summit (October 15, 22, 29, and November 5) and the TOPkit Workshop (March 25 and 26).

Discussion of the Future of DLSS Members Council
The Executive Committee is currently coordinating the Members Council while details regarding FLVC’s role is discussed. Members see the value of meeting together, and the Executive Committee is committed to coordinating and leading these meetings. A chair for the Student Services Standing Committee is needed to replace Dr. Robby Fuselier (FSU). Melanie Jackson (PBSC) volunteered to fill this position.

FLVC DLSS Update and Transition Progress
Dr. Nancy McKee and Dr. Carrie Henderson discussed the transition team as FLVC migrates from UWF to FSU. This team meets twice a week and includes the Chancellors from both the FCS and
SUS, academic, fiscal, legal representatives, as well as President Saunders from UWF. Topics discussed included LBR Information, transition progress, and Q&A.

**FLVC DLSS Update and Transition Progress, Part II**
Dr. John Opper and Dr. Kendall St. Hilaire continued this discussion and outlined the following topics: a general FLVC update, services and resources no longer provided, contacts at FLVC, Strategic Partnership and Licensing, Quality Initiatives, and a Q&A. This information is available via Powerpoint.

**Breakout Rooms: SUS Business & FCS Business**
Members were asked to join separate chatrooms to discuss issues specific to their institutional system.

**FCS Update**
Dr. Shanna Autry and Dr. Mike Sfiropoulos presented an update for the FCS, and this information is available via Powerpoint.

**Presentation: Crisis to Creative Solutions**
Dr. Ujjwal Chakraborty presented and Dr. Brian Marchman moderated the following discussion. This information is available via Powerpoint.

**Presentation: Supporting Students in a Zoom World**
Dr. Deb Miller, Katie Sarria, and David Wilson presented and Vicki Westergard moderated the discussion.

**Panel Presentation**
Dr. Tina Parscal (Colorado Community College Online), Kevin Corcoran (Connecticut Systems), and Kim Scalzo (SUNY) conducted a panel presentation on how their individual systems operate. A Powerpoint was submitted; this was a discussion-only presentation.

**Wrap-Up and Adjournment**
Dr. Kendall St. Hilaire adjourned the meeting.
